

Additional Information

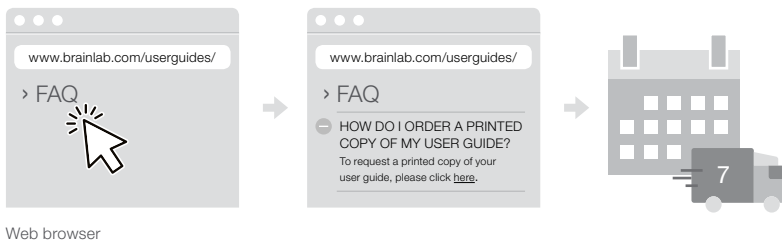

Select the Brainlab logo in the software to find your software name and version.
Using this information, identify your user guide on the website (brainlab.com/userguides).

If you still require a printed copy, you can print your own at any time using the PDF button on the user guide website. Alternatively, fill out the request form in the FAQ section or call Brainlab support. Printed copies are available at no cost and within 7 calendar days.
